

A place where people meet

If you're looking for a venue with a proven track record of successful ice events, you've found it in Queens Place Emera Centre.

NHL regulation ice surface

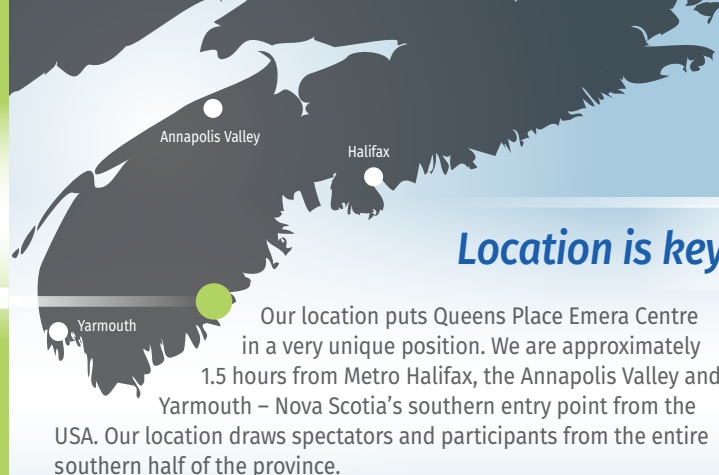

We have hosted provincial and national ice events, including: Canadian Junior Curling Championships, NHL Legends Maritime Tour, Skate Canada Nova Scotia Sectionals, World Junior 'A' Challenge games, University and Junior 'A' hockey, and Provincial hockey tournaments.

We are also proud host to many local teams and clubs for figure skating, ice hockey, broomball and more.

The arena ice surface is NHL regulation size. Permanent seating for 1,050 spectators guarantees plenty of room for those attending to your event.

Location is key

Our location puts Queens Place Emera Centre in a very unique position. We are approximately 1.5 hours from Metro Halifax, the Annapolis Valley and Yarmouth – Nova Scotia's southern entry point from the USA. Our location draws spectators and participants from the entire southern half of the province.

If attendees wish to stay in the area for multi-day events, or to enjoy the cultural and natural attractions our area also offers, we have over 575 accommodation beds within minutes.

If your event requires space for VIP guests, take advantage of the spacious Jim & Margaret Sapp Community Hall overlooking the arena, complete with a bar facility and prep kitchen, or call upon the catering services we offer. The Hall features four wall-mounted TVs and digitally streamed music.

Queens Place Emera Centre has free Wi-Fi, an elevator and baby change stations. We also have a canteen and vending machines located in the lobby.

Businesses and groups can also increase exposure by taking advantage of the many advertising opportunities throughout the facility.

We are a signature facility in the Region of Queens Municipality, and take pride in offering events for people of all ages. Queens Place Emera Centre is also accessible to people of any mobility.
